6 Equality and diversity	FG	SG			
SPECIFIC DIMENSIONS					
HWB6 Assessment and treatment planning	FG	SG			
EF1 Systems, vehicles and equipment					Specific Dimension may be included – to be reviewed.

Guideline Note:

A KSF Outline is for the **Post** and not the Employee. The Outline must reflect the Knowledge and Skills required after one year in post (shown on the Outline as "FG" to show the Foundation Gateway) and the full Outline (shown on the Outline as "SG" to show the Second Gateway). In the event of the Foundation Gateway being set at the same level as the Second Gateway – here is an example of how this may be reflected on the form.

1 Communication			FG / SG		

The Foundation Gateway (FG) will in the majority of cases be set at ONE LEVEL lower than the Second Gateway (SG). However, in a minority of cases the Foundation Gateway may be set by identifying a selection of the Full Outline level indicators only and not all the indicators which would be the complete level. This will be completed as follows:-

No & Description of Dimension			a, c, d & e / b, f, g		*This indicates that the FG comprises of Indicators a, c, d & e of Level 3 and the SG would be indicators b, f & g of Level 3.*

Number of staff within the department that this KSF Outline Relates to:
